ANGER MANAGEMENT WORKSHOP COURSE OUTLINE

FOREWORD

Anger is an acid that can do more harm to the vessel in which it is stored than to anything on which it is poured. – Mark Twain, American author

Everyone experiences anger from time to time. It is a healthy emotion, normally experienced by anyone. However, it can quickly become unhealthy and detrimental if not understood and controlled. Uncontrolled anger harms your reputation, destroys your relationships with colleagues or clients, limits your opportunities and even damages your health.

Anger can be an incredibly damaging force, costing people their jobs, personal relationships, and even their lives when it gets out of hand. However, since everyone experiences anger, it is important to have a good understanding of constructive approaches to manage it effectively.

This Anger Management Training program will help teach participants how to identify their anger triggers and what to do when they get angry.

OUTCOMES

In this course participants will:

- Gain a better understanding of anger and the natural anger cycle
