## BODY LANGUAGE TRAINING COURSE OUTLINE

---

### FOREWORD

Body language is a powerful form of non-verbal communication, and through it you convey a range of emotions and reactions to others. While verbal and written communication will vary from country to country and region to region, human body language can be quite universal. Hence, learning how to make accurate interpretations of other's body language helps you build better relationships, especially in cross-cultural situations. Enroll in a Body Language training course from PD Training in Singapore today to become a more effective and complete communicator.

The ability to interpret body language is a skill that will enhance anyone's career, especially if you're working in multi-national organizations. Body language is a form of non-verbal communication, and it needs to be practiced like any other form of professional communication. Whether in sales, customer service or management, it is essential to understand the body language of others and exactly what your own body is communicating to others.
