DELIVERING CONSTRUCTIVE CRITICISM TRAINING COURSE OUTLINE

FOREWORD

Conveying Constructive Criticism is one of the most difficult tasks for any manager or supervisor. If an employee performs an action that requires criticism or feedback, there are specific approaches to help you. In order to gain awareness and skills to provide criticism in a positive and correct manner, your management team would benefit by enrolling in a Delivering Constructive Criticism training course today!

Constructive Criticism must be provided correctly to maximize its impact and benefits. During this training course in delivering constructive criticism, participants receive training in choosing the right place, time and occasion for giving criticism, setting goals, prepare and plan a healthy criticism, and understanding the role of emotions and reactions in delivering constructive criticism.

OUTCOMES

Effective criticism helps in the management of human resources. It reduces/eliminates problematic behaviors and conflicts that negatively impact an organization. When an employee commits an action that requires feedback or criticism it needs to be handled appropriately and skillfully.

This extensive training course helps participants develop essential skills in delivering constructive criticism that positively impacts an individual and the company.

After completing this course, participants will have learned to:
