COURSE LENGTH: 0.5 DAYS

As a manager or supervisor in Singapore, delivering positive and negative feedback to staff is part of your role. However, many people find that delivering negative, or “constructive” feedback, can be a challenge for many reasons.

In fact, feedback delivered in a clear, consistent and respectable way is a true leadership skill that you can learn from the Giving Constructive Feedback training course delivered by PD Training. The course will teach you how to deliver constructive and positive feedback with sensitivity and objectivity. The training will also give you the opportunity to do feedback assessment, application, and practice.

This Giving Constructive Feedback training course can be delivered at your premises anywhere in Singapore by one of our expert local or international trainers.

GIVING CONSTRUCTIVE FEEDBACK TRAINING COURSE OUTLINE

FOREWORD

As a manager or supervisor, critiquing the behavior or work of your employees can be a very daunting task for you to perform. Yes, you have the authority to criticize, but if not done properly, it can harm working relationships, elevate stress levels and reduce moral.

This Giving Constructive Feedback Training Course helps participants in Singapore to develop skills in providing structured feedback for effective and lasting improvements. During this training course, participants receive training in using communication strategies, providing feedback in real situations, applying a framework for formal and informal feedback, and more.

The extensive course helps develop essential skills in delivering constructive feedback that positively impacts an individual and the company.
