## HIRING STRATEGIES TRAINING COURSE OUTLINE

---

### FOREWORD

Successful companies attempt to hire the right person for the right job; however, selecting the right person for a specific position is not always straight forward. Hiring and training employees is an expensive process, so identifying the best person to hire the first time is important.

Hiring and training employees is expensive if organizations frequently hire employees unsuitable for their jobs. During this training course in hiring strategies, participants learn to develop the skills, attitude, and understanding to hire the right people for the right job.

This Hiring Strategies Training Course includes skill development in developing a hiring strategy, steps and techniques to use in an interview, finding potential candidates for a position, and welcoming new hires.
