MANAGING VIRTUAL TEAMS COURSE OUTLINE

FOREWORD
Conceptually, virtual teams are the same with traditional teams, but managing virtual teams requires additional skills like dealing with time related issues, language barriers, cultural diversity and team building.

There are an estimated one billion virtual workers in 2013, and the number is expected to rise in the future. With a global workforce, you are provided with a cost effective and talented pool of employees to draw from.

Managing a virtual team is harder because of the challenges posed by time difference and cultural differences. Virtual Team Building and Management training course provides participants the knowledge to overcome these challenges and succeed in creating a highly productive global workforce.
