

WORKPLACE DIVERSITY TRAINING

Generate a [group quote](#) today

COURSE LENGTH: 1.0 DAYS

This Workplace Diversity training course is a method to teach employees best practices when interacting with individuals with diverse backgrounds. This course can educate employees on how to break the barriers (ethnic, social, political differences, etc.) of employees, so that they can work jointly and productively as a team.

Learn key skills like identifying stereotypes, removing barriers, active listening, reading non-verbal communication, preventing discrimination, how to develop a resolution process and much more!

These fun, high-energy training courses are available in Singapore.

This Workplace Diversity training course can be delivered at your premises anywhere in Singapore by one of our expert local or international trainers.

WORKPLACE DIVERSITY TRAINING COURSE OUTLINE

FOREWORD

If you want to educate your employees on how to deal with diversity in the workplace, have them enroll in the Workplace Diversity training course in PD Training in Singapore.

As the world gets smaller, the workforce becomes more mobile and outsourcing becomes more common. The need to understand diversity and to be able to include cultural diversity as part of the work-place culture is becoming increasingly important.

OUTCOMES

When attending this course participants will:

- ▶ Learn about stereotypes & biases, how they develop, and gain insights into one's own perspectives
 - ▶ Gain effective strategies for removing barriers to diversity in the workplace
 - ▶ Improve their listening & learn effective questioning techniques to communicate more effectively in a diverse population
 - ▶ Learn the importance of non-verbal communication, both one's own and that of others
 - ▶ Master ways of encouraging diversity in the workplace while discouraging and preventing discrimination
 - ▶ Learn how to respond to personal complaints & develop a support system to manage this resolution process in your organization
 - ▶ Gain a professional approach to record, analyze and resolve situations involving diversity
 - ▶ Learn how to create a mechanism of prevention to reduce negative or discriminating situations and to keep them from repeating
-
