NEGOTIATION TRAINING COURSE OUTLINE

FOREWORD

Negotiation is required everyday when communicating within any business or organizations in Singapore. You negotiate constantly – with colleagues, employees, clients and business partners; even with family members! Did you know that successful negotiation involves self-awareness, preparation and putting these elements into practice?

Gain the confidence you need to resolve a point of difference, or the advantage in the outcome of a discussion, produce an agreement upon courses of action, or bargain for individual or collective advantage. Negotiation is a process which can lead to positive outcomes and develop positive relationships.

This highly participative learner focused Negotiation Skills Training Course will arm you and your team with winning negotiation skills and tactics so you feel better prepared, more confident and have greater control in the negotiation process.
