ONENOTE 2010 ESSENTIALS COURSE OUTLINE

FOREWORD

OneNote can be used to take notes, organize thoughts, do research, and collaborate with others on projects. Microsoft OneNote's 2010 new formatting and styles capabilities are tailored to organize information and suit most individual's needs.

Have you ever wished that you could track appointments, take meeting notes, record research, and keep to-do items all in one place? Well, you can do all that and more with OneNote 2010! In this course, we'll show you how.
