 0.5 DAY COURSE

If you're in a supervisory position, it's important that you are equipped with the skills required to ensure your team is productive and motivated to perform at their highest levels each and every day. Anyone who supervises others, especially those who are new to supervision, will benefit from our 1-day course developed for managers and supervisors in Australia.

The PD Training Supervising Others training course provides participants with strong leadership skills, like delegating to others, decision making strategies, effective time management, analytical and problem-solving skills, effective communication skills, how to create an atmosphere which promotes internal motivation to work toward team goals, giving formal feedback and much more. This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

This is an instructor-led class that you can attend from home or your office.

The virtual classroom uses an advanced version of Zoom called 'Zoom for Webinars' that includes enhanced collaboration features such as One-click content sharing, real-time co-annotation (people can work together in activity files), and digital whiteboarding, and we use tools such as live polls, private group chats and participants can 'raise their hand' so you *virtually* have the same collaborative classroom based learning experience.

These courses are facilitated in English and are open to people from different industries across Australia, New Zealand, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**

Be ready - check your device is ready to go by using this test link.

providing feedback, resolving conflict and administering discipline.

All too often, great team members are promoted to a supervisory role without consideration that supervising is a completely different skill set to that which made them stand out as part of the team. So, this training course was designed to enhance their existing skill set with the additional skills required to properly manage others in a professional manner.

The Supervising Others Training Course helps people in supervisory roles to improve their skills, confidence and management abilities. This training will benefit new supervisors and anyone who wants to improve their skills in supervising others ensuring the highest level of productivity and team cohesion.
