COURSE LENGTH: 3.0 DAYS

This highly effective Train the Trainer Course in Singapore is designed for individuals who need to develop the training skills and confidence to teach adults in the workplace. This 3-Day, interactive training event is tailored to your specific requirements, which assures that the course can be directly applied to your workplace training requirements.

In the PD Training Train-the-Trainer course you'll learn skills like how to create and teach from a session plan, how to create effective and engaging presentations, how to develop and administer assessment tools, understanding the various types of personality types and their learning styles and much more. Participants also have the opportunity to deliver a "live" training session and receive feedback from the group.

This Train the Trainer training course can be delivered at your premises anywhere in Singapore by one of our expert local or international trainers.

TRAIN THE TRAINER TRAINING COURSE OUTLINE

FOREWORD

As a professional trainer in Singapore, you also have to undergo training to gain knowledge of the newest methodologies and techniques used in the training industry. Whether you are an experienced or a new trainer searching to widen or strengthen your training capabilities, this Train the Trainer course from PD Training presents the most up-to-date trends and strategies on how to train people.

This course will demonstrate how to become a facilitator of learning, not merely a presenter. You will build self-confidence, connect with your audience and leave your trainees admiring your training abilities.

This is a high impact, high intensity train the trainer course designed for workplaces that need trainers who can deliver professional training sessions as soon as possible.

This is not a box ticking exercise for passing assessments, this is for people who require the skills to train in today's professional workplaces.

This **Train the Trainer** Training Program is designed to benefit employees who are being asked to design and/or deliver training in the workplace. Participants learn about the learning needs of adults, planning and developing different types of training sessions and delivering and assessing the success of the training being delivered.

OUTCOMES

After completing this course participants will have learned:

- ▶ Design a training course targeted for adult learners
- ▶ Plan the delivery of a course by ensuring that all the key elements of effective training are present
- ▶ Learn how to communicate one's message effectively
- ▶ Develop techniques to overcome barriers to learning
- ▶ Prepare and deliver a training session
- ▶ Learn to construct assessments to validate the learning
- ▶ Gain techniques for providing encouragement and coaching during the training process
- ▶ Create post-course evaluation forms
- ▶ Evaluate their peers and also receive feedback from them during class
