[REQUEST QUOTE](#)

1.0 DAY COURSE

Ensuring a proper work/life balance is being maintained by your staff helps to keep them motivated and healthy; both emotionally and physically. The pressures to over-perform in the workplace can have negative effects on both staff health and moral.

This engaging professional development training course provides you with tips on how to improve the balance of your work and home life, how to manage your time better, focus on prioritizing tasks, setting accurate and achievable goals and communicating better with your co-workers in the workplace and family at home.

This Work-Life Balance training course can be delivered at your premises anywhere in Singapore by one of our expert local or international trainers or via our public schedule.

Contact us today for a group quote.

What You'll Gain:

Effective management of both your work life and your home life is necessary for you to be able to achieve your desired results in either situation. Balancing your work and home life is vital to boosting your productivity and satisfaction, while maintaining your emotional and physical health.

Creating a balance between work and life can be challenging as both demand our attention and energy. When properly balancing a career and personal life, you will become healthier, mentally and physically, with an enhanced lifestyle.

With a proper work-life balance, you will be able to manage your time better, which will impact various aspects of your life positively. This workshop will provide you training in focusing on relevant life and work matters, setting practical goals, and communicating and managing others better.
