 1.0 DAY COURSE

The Advanced Skills for Elite Administrative and Executive Assistants training course in Singapore, developed by PD Training, teaches you how to develop the competency for the advanced skills and flexibility needed to effectively provide a higher level of administrative and executive assistance.

After completing this course, you will have learned the following: how to develop and enhance your social intelligence and flexibility to adapt to your manager's working style, the capability to represent your manager if necessary, office and people management skills, scheduling skills, effective screening of visitors, incoming calls and reports, the importance of confidentiality and much more.

This Advanced Skills for Elite Personal and Executive Assistants training course can be delivered at your premises anywhere in Singapore by one of our expert local or international trainers.

Contact us today for a group quote.

What You'll Gain:

During this course in Singapore, participants engage in learning the theory behind key concepts and then practice the duties of an administrative or executive assistant. This interactive course includes activities to enhance learning and the development of practical skills.

This comprehensive course involves the development of key skills and knowledge that the job of a personal assistant demands. These include developing social intelligence, being more flexible, people management skills, prioritising tasks and much more!

If you are new to the executive assistant role, then you may want to consider our Foundation Skills for Elite PA's and Executive Assistants Training Course.
