1.0 DAY COURSE

Good communication skills are crucial for success in business. In this PD Training Singapore Communication Skills training course, you'll discover things like how different personality types influence communication, what your communication preferences are and how to recognize the preferences of others.

Whether you want to improve your workplace or personal relationships, you'll learn strategies for communicating effectively and overcoming common barriers. You will practice listening, speaking and questioning skills and explore the importance of understanding body language.

This course also teaches you how to adjust your communication approach so your message is well received by others. If you have ever wanted to communicate with more clarity and impact, in any of your relationships, then this course was designed for you.

This engaging and highly practical training course is available now throughout Singapore.

This Communication Skills training course can be delivered at your premises anywhere in Singapore by one of our expert local or international trainers. Contact us today for a group quote.

What You'll Gain:

This communications skills training course in Singapore helps people communicate appropriately and clearly in any situation. This is a great course for everyone as the benefits can have a positive effect on every aspect of your life.

Learn to understand how you communicate, how others communicate and how to adjust your communication style to meet their needs. Discover how effective communication is greatly improved by understanding communication preferences based on personality type and learn how to overcome some common obstacles to effective communication.

This interpersonal Communication Skills training course will ensure that your colleagues, friends and family will receive your message clearly, which should improve your workplace relationships as well as your personal relationships in general. If you have never completed a communications course of this type, you are missing out on understanding some of the

most fundamental concepts that will have a profound effect on your success in the workplace and life in general.
